Editorial Review

About the Author

Mary C. Ruffolo, PhD, LMSW, is a professor with the University of Michigan's School of Social Work. She teaches classes on topics related to assessment and interventions with children, adolescents, adults, families and small groups. Dr. Ruffolo's research emphasizes the development, evaluation, and sustainability of evidence-based or evidence-informed practices in public behavioral health settings, as well as in integrated health environments.

Brian E. Perron, PhD, is an associate professor with the University of Michigan's School of Social Work. He teaches classes on topics related to diagnosis and treatment of mental health and substance use disorders. Dr. Perron is also actively involved in research related to these topics, with an emphasis on clinical assessment, measurement, evidence-based practices, and predictive modeling.

Elizabeth H. Voshel, LMSW, ACSW, is an associate clinical professor and director of field instruction with the University of Michigan's School of Social Work. She has been a leader in the school's integrative learning effort and teaches a capstone seminar. Voshel has presented nationally and internationally on field instruction curriculum and social work ethics and was employed for 22 years by the US Department of Veterans Affairs.

Users Review

From reader reviews:

Catherine Crider:

Reading a e-book tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world may share their idea. Books can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the publications. But also they write about advantage about something that you need example of this.
