Kindle Publishing: Expert Tips on How to Publish a Kindle Bestseller and Profit from It with Derek Doepker By John Tighe

Kindle Publishing

- **How do you publish a Kindle book that hits #1 bestseller status and makes you thousands of dollars in royalties?**
- How do you use that book to instantly position yourself as an expert in your field?
- **And how do you leverage the power of your book to rapidly connect with, network with and build successful relationships with the key players in your industry?**

In this short book we'll be covering all this and more. It's based on an interview I did with Kindle publishing and marketing expert and author of multiple bestselling books Derek Doepker.

Through his courses – which include 'Kindle Bestseller Secrets' and 'Hooks for Books' – Derek has trained thousands of authors on how to write, publish and market their books successfully.

What I loved about this interview was hearing Derek explain the simple changes he made that took him from being an unsuccessful author who could barely sell his books to family and friends **to being a #1 bestselling author in the most competitive non-fiction category on all of Amazon!**
