Never Kiss a Bad Boy By Nora Flite

Could you fall in love with a killer? How about two?

When hiring a hitman, it's important to remember two rules.

One: Pay in cash.

And two: Don't sleep with him.

I was never good at following rules.

It's not my fault that the guy I hired to help me is so damn sexy... so stupidly good at making me melt.

Who the hell sleeps with a hitman? I wish I could take it back. The problem is, now that I've slept with Kite once, I want to do it again. And again.

What's worse?

He wants to share me with his best friend.

I shouldn't give in to either of them. I should be stronger.

I should remember the rules.

But with both of them kissing me...

I can't even remember my own name.

Author's Note: This is a re-release of the Beyond Blood series. Contains a HEA, NO CHEATING, no cliffhangers, and two hitmen who have a "talent" for sharing one sassy lady...
