In their provocative, groundbreaking guide, Felicia Brings and Susan Winter, both of whom have had long-term relationships with younger men, shatter the myths as they share their thoughts and the experiences of over 200 couples on everything from sex to dealing with her family and his, to handling the criticisms and comments of peers. Advice is delivered with large doses of empowerment, humor and compassion that will help make the brave new world of relationship potential between older women and younger men lead to lasting love.
