Our Glorious Mother Eve: 2-in-1 eBook Bundle By Beverly Campbell

Eve and the Choice Made in Eden

Is the way that women evaluate their own worth affected still by the biblical story of Mother Eve? Author Beverly Campbell suggests, “In much of the literature and in most of the histories referring to women there is an undercurrent of apology, as though there is something not quite ‘all right’ about being a woman. In looking for the source of this unease, I came to recognize that it could be traced to accounts of the Creation and to the ever-prevalent and negative characterizations of Eve.”

She writes of three levels from which the story of Eden must be viewed: as historical fact, as a series of symbols and metaphors, and as a place for a beginning our own search for spiritual understanding and relevance in life. This compelling book may change forever your perception of our first parents and the choice they made.

Eve and the Mortal Journey

The story of Eve does not end in the Garden of Eden, nor does the example we can draw from her experience. In this companion volume to *Eve and the Choice Made in Eden*, Beverly Campbell examines the lessons from Eve's mortal journey and suggests practical applications for our own paths and choices in life. The book includes chapters on seeking a personal connection with God, applying the principles of the Plan of Happiness on a daily basis, defining and working within the seasons of lives, coping with inevitable trials, giving and receiving love, and creating sacred spaces where our souls can be nurtured.
