Private investigators Gavin and Liam find their mate, Bridget, while on a case. But in spite of the mating lust riding all three of them, Bridget resists the urge. Something stronger than the mating lust keeps her from committing. Meanwhile, Gavin and Liam discover treachery in her past. Can they unravel the clues to both mysteries so all three of

them can come together at last?

The Alpha's Legacy: An overwhelming mating lust pulls mates together in this world where werewolves mate in threesomes. Sheriff Caleb Couteux comes to Marysburg to investigate the former Alpha of Stonewall pack, but gets more than he bargained for when he discovers his mates.
