The Key (The Engelsfors Trilogy) By Sara B. Elfgren, Mats Strandberg

The heart-stopping conclusion to the Engelsfors Trilogy, a worldwide bestseller

The international bestselling Engelsfors Trilogy (“very thrilling and very, very wicked,” Lev Grossman) now concludes with *The Key*.

By the end of the second book of the Engelsfors Trilogy, *Fire*, only the Chosen Ones remain as the last defense against the mysterious, demonic forces that have been plaguing Engelsfors.

The Chosen Ones are still coming to terms with their loss when evil strikes again, barely a month after the showdown in the school gym. They have no chance to recover, and no choice but to rally together to try to prevent the apocalypse, even while their personal dramas threaten to tear them apart. Time is running out for the Chosen Ones to fulfill the prophecy and save the world, but whether they succeed or not, one thing is certain: Everything will change.

Editorial Review

From School Library Journal

Gr 8 Up—In this final trilogy installment, a YA sensation originally published in Sweden, Minoo and her friends may be the only thing preventing an all-out apocalypse. With nods to Buffy the Vampire Slayer and a mix of slow-burn character development with breathless episodes of intense action, this volume will entice teens to read the first book in this captivating series.

Review

“When the prophesied apocalypse finally descends, watching the Chosen Ones shed their petty concerns to come together as a team of truly formidable heroines is worth the wait.”

- *The Horn Book*
