**The Legend of Arturo King (Legendary Rock Star Series Book 1)** By L.B. Dunbar

He's a living legend.  
I'm a rock god. It's no secret.  
My band, The Nights, got our start playing at the Round Table in NYC.  
I always wanted to be the king of Rock & Roll.

I just had no idea how close I already was.  
Being raised in a foster home, I didn't know the extent of my inheritance.  
Hell, I didn't even know I had anything.  
And now, I've got it all.  
But there is still one thing I want,  
Guinevere DeGrance.

She's hiding in the wings.  
I'm the opposite of him.  
Quiet and reserved, always avoiding the limelight.  
All I wanted was to play the cello, but trained for society,  
I was forced into his spotlight.  
Thrown into his crowd--with all eyes on me.  
And I couldn't resist.

He's talented and sexy, completely irresistible.  
He's changed me.  
Awakened me.  
He's everything to me.  
He's Arturo King.

### **Editorial Review**

#### **About the Author**

L.B. Dunbar loves the original legend of King Arthur. Inspired by this classic tale, she pulled over to the side of the road to take notes when it hit her that if King Arthur lived today, he'd be a rock star. A lover of fairy tales, myths, legends, and anything with happily ever after, she loves to read and write contemporary romance. Her Legendary Rock Stars series is complete with the final tale: The Trials of Guinevere DeGrance, but the story begins with The Legend of Arturo King. She also wrote The Sensations Collection, which includes five stand alones based on the five senses in a small town setting near Lake Michigan. Raised on one side of that lake, she grew up in Michigan, but now lives on the other side, in Chicago. Mother to four, wife to the one and only, and teacher to hundreds of former students, she looks forward to sharing more stories in the future.

### **Users Review**

#### **From reader reviews:**

##### **Paul Greenblatt:**

Book is to be different per grade. Book for children until adult are different content. As we know that book is very important for all of us.
