An Untamed State By Roxane Gay

**“Once you start this book, you will not be able to put it down. *An Untamed State* is a novel of hope intermingled with fear, a book about possibilities mixed with horror and despair. It is written at a pace that will match your racing heart, and while you find yourself shocked, amazed, devastated, you also dare to hope for the best, for all involved.”—Edwidge Danticat, author of *Breath, Eyes, Memory* and *The Dew Breaker***

Roxane Gay is a powerful new literary voice whose short stories and essays have already earned her an enthusiastic audience. In *An Untamed State*, she delivers an assured debut about a woman kidnapped for ransom, her captivity as her father refuses to pay and her husband fights for her release over thirteen days, and her struggle to come to terms with the ordeal in its aftermath.

Mireille Duval Jameson is living a fairy tale. The strong-willed youngest daughter of one of Haiti’s richest sons, she has an adoring husband, a precocious infant son, by all appearances a perfect life. The fairy tale ends one day when Mireille is kidnapped in broad daylight by a gang of heavily armed men, in front of her father’s Port au Prince estate. Held captive by a man who calls himself The Commander, Mireille waits for her father to pay her ransom. As it becomes clear her father intends to resist the kidnappers, Mireille must endure the torments of a man who resents everything she represents.

*An Untamed State* is a novel of privilege in the face of crushing poverty, and of the lawless anger that corrupt governments produce. It is the story of a willful woman attempting to find her way back to the person she once was, and of how redemption is found in the most unexpected of places. *An Untamed State* establishes Roxane Gay as a writer of prodigious, arresting talent.

**“From the astonishing first line to the final scene, *An Untamed State* is magical and dangerous. I could not put it down. Pay attention to Roxane Gay; she’s here to stay.”—Tayari Jones, author of *Silver Sparrow* and *Leaving Atlanta***

**“[Haiti’s] better scribes, among them Edwidge Danticat, Franketienne, Madison Smartt Bell, Lyonel Trouillot, and Marie Vieux Chavet, have**

produced some of the best literature in the world. . . . Add to their ranks Roxane Gay, a bright and shining star.”—Kyle Minor, author of *In the Devil’s Territory*, on *Ayiti*

## Editorial Review

From [Booklist](#)

**\*Starred Review\*** While we give merely cursory thought to what the kidnappings of the wealthy in impoverished nations might entail, rising star Gay exposes the full horror of this intimate crime and stealthy weapon of social decimation in her superbly written and excoriating first tale of terror and suspense. Set in Haiti, where Gay, the child of Haitian immigrants, spent her summers, the novel opens with Miami-based attorney Mirelle visiting her rich and influential parents with Michael, her white Nebraskan husband, and their baby son. The family is heading to the beach when they're ambushed by men with machine guns, who drag Mirelle away. Sharp-tongued and aggressive under normal circumstances, Mirelle is furious, though she believes this "business transaction" will be quickly completed. Instead, her proud and ruthless father refuses to pay the ransom, and she stubbornly refuses to beg. Her enraged captors retaliate with an endless siege of rape and torture. Gay contrasts the brutality of the present with the romantic past as traumatized yet stoic Mirelle remembers her and Michael's rocky courtship, unlikely love, and the reactions of their very different families. Gay is a daring and transfixing storyteller, depicting with valor and deep intent hellishly intrusive violence, shocking betrayal, and psychological devastation, the poison fruits of prejudice, injustice, greed, and desperation. Ferocious, gripping, and unforgettable. --Donna Seaman

"Poignant . . . haunting . . . When Mireille is finally freed, her rocky adjustment harkens to that of the mother in Emma Donoghue's *Room*. . . . Gay writes of her homeland beautifully, describing it in the conflicting, nuanced way that will ring familiar to Americans whose parents hail from troubled lands. . . . Gorgeous writing . . . A wonderful and affecting read."—Rasha Madkour, *Associated Press*

"Gay may be working in territory many American readers know through the lyrical stories of Edwidge Danticat, but her style is wholly her own: direct, bracing and propulsive. . . . [A] smart, searing novel."—Ron Charles, *The Washington Post*

"To say that *An Untamed State* 'tells the story' of Mireille Duval Jameson - an American lawyer, wife, and new mother, who, while visiting her Haitian parents in Port Au Prince, falls victim to the wave of kidnappings plaguing that city - would be inadequate. Rather, Gay compels her readers to breathe and bleed

[it]. . . Brutally and vividly rendered.” —Abby Frucht, *The Philadelphia Inquirer*

This novel . . . will reward the reader.” —Jim Carmin, *Minneapolis Star Tribune*

“Harrowing: truly, it harrows. With iron teeth it pulls up things that do not want to be pulled up. . . . Remarkable.” —NPR

“Excellent . . . Brilliant, eye opening, and necessary. . . . Gay’s prose is direct and muscular, unflinchingly confronting the reality she’s created. . . . To call it ‘hard to put down’ is an understatement; I lost sleep over it, and won’t forget it anytime soon.” —Alison Hallett, *Portland Mercury*

“Poised to affect anyone who reads the book. . . . Gay weaves a story that is thrilling and readable and, surprisingly, incredibly enjoyable. It is, ultimately, about survival, but walking away from the story unaffected—both the reader and the characters within—is impossible.” —Jessi Cape, *The Austin Chronicle*

“There are times when reading a novel is painful. Not because the prose is lacking or the narrative lags, but because the subject matter verges on the unbearable. Roxane Gay’s debut novel, *An Untamed State*, falls under this last category. And yet, you must read it anyway. For beyond missing out on a story of such emotional power, you will miss out, as well, on this emerging writer’s abundant talent and insight, all on

“Riveting.” —Anjali Enjeti, *Paste Magazine* (“The Best Novels of 2014 (So Far)”)

“[A] startling debut novel . . . There are no easy answers to be found in *An Untamed State*, and Gay, in elegant, fierce, poetic prose that evokes early-career Margaret Atwood, forces her characters to reach across all borders to find some final sense of reason. It’s a hard-won discovery, surely, but one absolutely worth the journey. This is a novel not easily forgotten.” —Tod Goldberg, *Las Vegas Weekly* (4/5 stars)

“*An Untamed State* is a harrowing, suspenseful novel about the connections between sexual violence and political rage, narrated in a voice at once traumatized and eerily controlled. “[A] riveting debut novel . . . There is such a staggering sense of strength, confidence and integrity to Gay’s telling. . . . *An Untamed State* is a gem, blasted into beauty by the world’s harshest conditions. “A simmering, sometimes brutal examination of love, privilege, the meaning of home, and the horrific damage that can come to women at the hands of men. . . . It would be a spoiler to say who does the most to help Mireille out of the horrors and back into life, but there is someone. And in that memorably lovely arc, *An Untamed State* — a novel partly about betrayal by one’s own family — becomes a novel about familial redemption, too.” —Laura Collins-Hughes, *The Boston Globe*
