### **Curse of the Azure Bonds (Advanced Dungeons & Dragons/Forgotten Realms Module FRC2) By Jeff Grubb, George MacDonald**

Day breaks, and the crowing of a distant rooster wakes you from an all-too-short sleep. Another day of adventure, you think as you arise - but then you stop short. You, and all your companions, have an elaborate blue tattoo covering most of your sword arm! And there's more to these marks than a drunken prank. As you try to find out the source and the meaning of your new adornment, you are drawn further and further into danger and mystery. Will you become a pawn in somebody else's power game, or will you fight for your freedom and individuality? Curse of the Azure Bonds is an adventure set in the FORGOTTEN REALMS game world for the AD&D 2nd Edition game. It is based on the best-selling novel, Azure Bonds, by Jeff Grubb and Kate Novak.
