Introduction to Paralegalism: Perspectives, Problems and Skills By William P. Statsky

Master the hands-on skills you'll need to succeed in a modern law office with INTRODUCTION TO PARALEGALISM, 8e. Ten critical skills are covered in the book: identifying legal issues, breaking rules into elements, applying rules to facts, interviewing clients, investigating facts, digesting discovery documents, providing litigation assistance, researching the law, drafting documents, and representing clients at administrative agencies where authorized by law. Packed with real-life insights and real-world examples, the text helps you understand the ethical guidelines that lawyers and paralegals must follow and covers the efforts underway to regulate the profession in legislatures, courts, bar associations, and paralegal associations.

Editorial Review

Review

"There is excellent balance of theoretical and practical content. The textbook I used did not have enough practical content and that was the reason I stopped using it. This book is an excellent reference resource in addition to being an excellent textbook. The appendixes are awesome, especially appendix B (Paralegal Associations, Bar Associations that Allow Paralegal Membership, and Related Organizations) which is an excellent reference tool for paralegal students. I emphasize legal research and legal writing in all four of my classes, and the research and writing sections of this book are excellent. It is challenging to teach the skills of legal research and writing to my web students because I cannot take them to the university law library, as I do with my traditional classroom students. This book's sections on legal research and writing are so well organized easy to understand that even distance-learning students can use it to independently practice those skill sets. Each chapter summary really captures the most important aspects of the preceding chapter, and the review questions at the end of each chapter further focuses the reader with regard to the most important chapter content. The exhibits are also awesome - especially exhibit 2.3 (General Observations about Paralegal Work in Different Kinds of Law Offices)."

"Statsky's text provides essential vocabulary, but focuses more on understanding concepts behind the vocabulary and learning critical-thinking skills. Statsky also provides a lesser, more appropriate, level of information about a much broader range of legal specialties than Currier & Eimermann. Statsky's tone is much more readable and encourages learning over memorizing. The "Assignments" are fantastic and can be easily be developed further by instructors. Examples are numerous and make the material much easier to understand. I love the emphasis on practical skills and the paralegal's role in everything."

About the Author

William Statsky is a member of both the ethics committee and the advisory council for the National Federation of Paralegal Associations, as well as an instructor of online courses at Thomas Edison State College in Trenton, New Jersey. He is the author of numerous groundbreaking legal textbooks for paralegals and was a member of the transition team for then President-Elect Ronald Reagan. Mr. Statsky holds a master of law degree (LL.M) in urban affairs, as well as a juris doctorate degree (J.D.).

Users Review

From reader reviews:

Kathryn Mullins:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider any time those information which is inside former life are challenging be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Introduction to Paralegalism: Perspectives, Problems and Skills as the daily resource information.

Henry Knight:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they undertaking activity like watching television, about to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Could be reading a book can be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try out look for book, may be the guide untitled *Introduction to Paralegalism: Perspectives, Problems and Skills* can be great book to read. May be it might be best activity to you.

Maria Lamotte:

People live in this new day time of lifestyle always try to and must have the time or they will get lot of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to you actually of course your answer will unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, the particular book you have read is actually *Introduction to Paralegalism: Perspectives, Problems and Skills*.

William Pare:

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love *Introduction to Paralegalism: Perspectives, Problems and Skills*, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.
