**Retribution** By Natasha Knight

*Payback's a bitch - or, it would be for Elle.*

**Elle**

The monsters of my father's world weren't ever supposed to enter mine. I was safe from them. Untouchable.

Adam swept into my life on a whirlwind, a dark knight, a predator stalking its prey. He'd been hiding in the shadows all along. Waiting for me to fall into his trap.

And I fell.

I fell hard.

**Adam**

This wasn't ever supposed to be about her. She wasn't ever supposed to matter. Her father needed to pay for what he'd done and there was one sure way to do it.

Take what he loved best.

Break it.

Break her.

I just didn't realize that in the process of destroying the girl, I'd destroy myself.

**Please note:** Retribution is a **steamy, dark** read with an HEA Adam and Elle will more than earn. No cliffhanger.

### Editorial Review

#### Review

"The writing was outstanding, I was so caught up in the story and the characters that I felt everything they were going through. The author does not shy away from giving readers some cruel, powerful and suspenseful and hot scenes. I could keep going on and on." *Lustful Literature*

"Things are twisted and truths are found. Anger burned throughout this book. Dark and light danced with each other. Selves are found within the unlikely of places." *After Dark Book Lover*

"Ms. Knight writes a story that's dark. It explores the depths of depravity when revenge is your supper for years. It also explores forgiveness in its truest form, something that's so hard to accomplish and even harder to believe." *Textual Love*

"This book takes us on a very emotional journey. Our hero is tortured by his memories and encouraged by others to get the job done. Our heroine is an innocent caught in a nightmare. A book that will keep you on the edge, and make you think, hard, about those you think you know." *Warrior Woman Winmill*

### Users Review

#### From reader reviews:

##### Margaret Williams:

What do you regarding book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your time?
