BASIC SPANISH FOR LAW ENFORCEMENT is a career manual designed to serve those in the law enforcement professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents typical everyday situations that pre-professionals and professionals may encounter when dealing with Spanish speakers in the United States at work settings such as police stations, prisons, and on the street. This second edition introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text.
