**Spelled (The Storymakers)** By Betsy Schow

**Fairy Tale Survival Rule #32: If you find yourself at the mercy of a wicked witch, sing a romantic ballad and wait for your Prince Charming to save the day.**

*Yeah, no thanks.* Dorthea is completely prined out. Sure being the crown princess of Emerald has its perks?like Glenda Original ball gowns and Hans Christian Louboutin heels. But a forced marriage to the not-so-charming prince Kato is so not what Dorthea had in mind for her enchanted future.

**Talk about unhappily ever after.**

Trying to fix her prince problem by wishing on a (cursed) star royally backfires, leaving the kingdom in chaos and her parents stuck in some place called "Kansas." Now it's up to Dorthea and her pixed off prince to find the mysterious Wizard of Oz and undo the curse...before it releases the wickedest witch of all and spells *The End* for the world of Story.

## Editorial Review

From School Library Journal

Gr 6–9—Spoiled and sheltered, 16-year-old Princess Dorthea of Emerald has just found out that her parents are forcing her to marry arrogant Prince Kato. Outraged at her parents' order, Dorthea makes a hasty wish on a cursed star, throwing her kingdom into chaos and landing her parents in a strange place called Kansas. With the help of a cunning maidservant named Rexi and the annoyingly rude Prince Kato, Dorthea sets out to undo the curse before it releases the wickedest witch of all and spells "The End" for the world of Story. This is a cute adventure with romance set in a world full of fairy-tale mash-ups. Readers will love Dorthea's evolution from spoiled princess to strong, confident heroine. There's plenty of action as Dorthea, Kato, and Rexi seek the help of the mysterious Wizard of Oz and encounter headless hags, tricky bumpkins, demonic puppies, and forlorn witches along the way. Though he's full of some unique surprises, Kato makes an excellent Prince Charming for Dorthea and helps her realize her inner strength. The plot tends to meander and can be confusing at times, but young fans who stick with it will find plenty of fairy-tale references, an unexpectedly sweet romance, and loads of adventure along the way. **VERDICT** For Oz fans, this work is a great clean-read alternative to Danielle Paige's *Dorothy Must Die* (HarperCollins, 2014).—Leigh Collazo, Dulwich College, Suzhou, China

Review

"A cute adventure with romance set in a world full of fairy-tale mash-ups. Readers will love Dorthea's evolution from spoiled princess to strong, confident heroine... For Oz fans, this work is a great clean-read alternative to Danielle Paige's *Dorothy Must Die*." - *School Library Journal*

"There are, overall, two words to describe *Spelled*": Clev. Er.

With a starting point of a basic princess story, Schow moves with lightning speed through just about every fairytale and fantasy story you can remember, taking her main character on an original adventure with an Oz flair and a flirt with classic Grimm...Not too hard and not too soft, this book is just right for 12- to 17-year-old readers, but be sure to borrow it back for yourself. Fee, fi, fo, fum, *Spelled* smells like gigantic fun.

" - *Bookworm Sez*

"*Spelled* is full of clever plays on words and fun reinterpretations of the original classic. While the story is light and comedic, Schow manages to weave a deeper plot and satisfying character growth into the pages. *Spelled* is ideal for readers who are looking for something light and entertaining. Fans of *The Wizard of Oz* will appreciate Schow's attention to detail in bringing characters and places they already know to new life with a clever twist." - *Deseret News*

About the Author

Betsy Schow is the author of the memoir *Finished Being Fat*, and has been featured on *The Today Show* and in *The Wall Street Journal*. She lives in Utah, but travels the country with Color Me Rad 5k, and partners with non-profits to teach kids creative thinking and how to reach their goals.
