### **Summer of Sloane** By *Erin L. Schneider*

Warm Hawaiian sun. Lazy beach days. Flirty texts with her boyfriend back in Seattle.

These are the things seventeen-year-old Sloane McIntyre pictured when she imagined the summer she'd be spending at her mom's home in Hawaii with her twin brother, Penn. Instead, after learning an unthinkable secret about her boyfriend, Tyler, and best friend, Mick, all she has is a fractured hand and a completely shattered heart.

Once she arrives in Honolulu, though, Sloane hopes that Hawaii might just be the escape she needs. With beach bonfires, old friends, exotic food, and the wonders of a waterproof cast, there's no reason Sloane shouldn't enjoy her summer. And when she meets Finn McAllister, the handsome son of a hotel magnate who doesn't always play by the rules, she knows he's the perfect distraction from everything that's so wrong back home.

But it turns out a measly ocean isn't nearly enough to stop all the emails, texts, and voicemails from her ex-boyfriend and ex-best friend, desperate to explain away their betrayal. And as her casual connection with Finn grows deeper, Sloane's carefree summer might not be as easy to come by as she'd hoped. Weighing years of history with Mick and Tyler against their deception, and the delicate possibility of new love, Sloane must decide when to forgive, and when to live for herself.

### Editorial Review

From Publishers Weekly

"Through Sloane and everyone who orbits her, Schneider examines betrayal from many angles, as well as the myriad ways that people hurt one another and how one teenager moves forward to see new romance and hope in her future." -Publishers Weekly

From School Library Journal

"The message of forgiveness is well delivered and Sloane is a likable, well-rounded character. . . An enjoyable beach read for fans of teen romance." -School Library Journal

From [Booklist](#)

"Sloane is feisty yet vulnerable, and her soul-searching comes across as genuine, particularly when she discovers secrets within her own family. Adventures in jumping off of waterfalls...create an environment of independence in which Sloane can heal and forgive while still experiencing life and summertime fun." - Booklist Online

### Users Review

**From reader reviews:**

**Lori McDonald:**

The book Summer of Sloane give you a sense of feeling enjoy for your spare time. You should use to make your capable a lot more increase. Book can to get your best friend when you getting stress or having big problem along with your subject. If you can make looking at a book Summer of Sloane to get your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. You are able to know everything if you like wide open and read a guide Summer of Sloane. Kinds of book are a lot of. It means that, science e-book or encyclopedia or some others. So , how do you think about this reserve?

**Rita Carter:**

What do you think about book? It is just for students because they are still students or the idea for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book Summer of Sloane. All type of book can you see on many solutions. You can look for the internet solutions or other social media.

**Shannon Lynch:**

As people who live in the modest era should be upgrade about what going on or info even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice for you but the problems coming to you

actually is you don't know which one you should start with. This Summer of Sloane is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

**Jeffery Harman:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Summer of Sloane can make you sense more interested to read.
