Editorial Review

From the Back Cover

Roger Stronstad examines the meaning of the Holy Spirit's activity in Luke-Acts and explores the Spirit's role in equipping God's people for the unfinished task of mission. The second edition has been revised and updated throughout and includes a new foreword by Mark Allan Powell.

"In my opinion, Roger Stronstad's *The Charismatic Theology of St. Luke* is perhaps the most important biblical studies book ever written by a Pentecostal. Truly a seminal work, this slim volume caused a seismic shift in the terrain of pentecostal biblical scholarship, changing forever its fundamental character while sending tremors beyond the tradition in all directions. I am delighted that this exceedingly important piece will continue its well-deserved shelf life, extending its availability for readers old and new. My commendation to Baker Academic for issuing this valuable new edition."

--**John Christopher Thomas**, Pentecostal Theological Seminary

"The most influential work on Lukan pneumatology of this generation! Twenty-five years ago, Stronstad solidified my earliest convictions about the activity of the Holy Spirit. Today, my students echo the same refrain. Those familiar with pentecostal/charismatic teaching on the Spirit-filled life find fodder for fresh reflection and exploration. Those not familiar receive a challenging invitation for renewed pursuit of the Spirit. I could not be happier that this book has been revised and will remain in print."

--**Martin Mittelstadt**, Evangel University

"With the publication of Stronstad's *The Charismatic Theology of St. Luke* in 1984, pentecostal scholarship on Luke-Acts introduced itself to the academic community. By tracking plot patterns and considering Luke's storytelling techniques, Stronstad found Luke's understanding of the mission of Christ and the church and the nature of Spirit empowerment to effect it. In our graduate curriculum, this book is the cornerstone of our 'pentecostal distinctives' course. With this updated edition, the book's contribution will live on, hopefully until the mission is complete."

--**Van Johnson**, Master's Pentecostal Seminary, Toronto

Praise for the First Edition

"This work is a solid contribution to pentecostal theology and successfully answers the critics who claim that pentecostal theology is exegetically weak. I recommend this book highly with the suggestion that it should be in the library of any serious student of the Holy Spirit and the Word."

--**Gary M. Burge**, *Pneuma: The Journal of the Society for Pentecostal Studies*

About the Author

Roger Stronstad (MCS, Regent College; DD, Christian Bible College) is director and associate professor in Bible and theology at Summit Pacific College in Abbotsford, British Columbia. He is the author of many articles and six books, including *The Prophecy of All Believers: A Study in Luke's Charismatic Theology*. He also coedited *Life in the Spirit New Testament Commentary*.

Users Review
