The Consequences of Forever (The Haven Series) By Kaitlyn Oruska

Getting pregnant two months shy of her sixteenth birthday was never part of Lainey Winslow's plan. Then again, meeting Adam Montgomery on a cool summer night wasn't either. Faced with the hardest decision of her life, Lainey chooses Adam and their baby. But motherhood in high school isn't something that can ever be handled with ease and Adam's promises of forever only do so much to help. With summer long behind them and an uncertain future looming ahead of them, will Lainey and Adam figure out how to make it work? 'The Consequences of Forever' is a story about first love, friendship and the meaning of family.

Editorial Review

About the Author

Kaitlyn Oruska has wanted to be a writer for as long as she can remember but never thought it was possible until the idea of this story wouldn't leave her alone. She lives in a small town in southeastern Pennsylvania with her husband, her cat and her dog and hopes to write many, many more books. You can visit her anytime on her website/blog: www.kaitlynoruska.wordpress.com

Users Review

From reader reviews:

Jason Harden:

The book The Consequences of Forever (The Haven Series) can give more knowledge and also the precise product information about everything you want. Why must we leave a very important thing like a book The Consequences of Forever (The Haven Series)? A few of you have a different opinion about reserve. But one aim which book can give many data for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or information that you take for that, you are able to give for each other; you can share all of these. Book The Consequences of Forever (The Haven Series) has simple shape however, you know: it has great and massive function for you. You can look the enormous world by start and read a publication. So it is very wonderful.

Anthony Perez:

Reading a guide can be one of a lot of task that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people love it. First reading a publication will give you a lot of new details. When you read a reserve you will get new information since book is one of various ways to share the information or their idea. Second, reading through a book will make an individual more imaginative. When you examining a book especially fictional book the author will bring someone to imagine the story how the personas do it anything. Third, you are able to share your knowledge to some others. When you read this The Consequences of Forever (The Haven Series), you are able to tells your family, friends and soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

Nicholas Riley:

A lot of people always spent their very own free time to vacation or even go to the outside with them family members or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you need to try to find a new activity here is look different you can read some sort of book. It is really fun in your case. If you enjoy the book which you read you can spent the whole day to reading a guide. The book The Consequences of Forever (The Haven Series) it is very good to read. There are a lot of people that recommended this book. These were enjoying reading this book. Should you did not have enough space to create this book you can buy often the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to fund but this book features high quality.

Angela Latham:

This The Consequences of Forever (The Haven Series) is new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or else you who still having little bit of digest in reading this The Consequences of Forever (The Haven Series) can be the light food to suit your needs because the information inside this kind of book is easy to get by means of anyone. These books develop itself in the form which is reachable by anyone, yes I mean in the e-book contact form.
