## **The Name of God in Jewish Thought: A Philosophical Analysis of Mystical Traditions from Apocalyptic to Kabbalah (Routledge Jewish Studies Series)**

By Michael T Miller

One of the most powerful traditions of the Jewish fascination with language is that of the Name. Indeed, the Jewish mystical tradition would seem a two millennia long meditation on the nature of name in relation to object, and how name mediates between subject and object. Even within the tide of the 20th century's linguistic turn, the aspect most notable in – the almost entirely secular - Jewish philosophers is that of the personal name, here given pivotal importance in the articulation of human relationships and dialogue.

The Name of God in Jewish Thought examines the texts of Judaism pertaining to the Name of God, offering a philosophical analysis of these as a means of understanding the metaphysical role of the name generally, in terms of its relationship with identity. The book begins with the formation of rabbinic Judaism in Late Antiquity, travelling through the development of the motif into the Medieval Kabbalah, where the Name reaches its grandest and most systematic statement – and the one which has most helped to form the ideas of Jewish philosophers in the 20th and 21st Century. This investigation will highlight certain metaphysical ideas which have developed within Judaism from the Biblical sources, and which present a direct challenge to the paradigms of western philosophy. Thus a grander subtext is a criticism of the Greek metaphysics of being which the west has inherited, and which Jewish philosophers often subject to challenges of varying subtlety; it is these philosophers who often place a peculiar emphasis on the personal name, and this emphasis depends on the historical influence of the Jewish metaphysical tradition of the Name of God.

Providing a comprehensive description of historical aspects of Jewish Name-Theology, this book also offers new ways of thinking about subjectivity and ontology through its original approach to the nature of the name, combining

philosophy with text-critical analysis. As such, it is an essential resource for students and scholars of Jewish Studies, Philosophy and Religion.

It is good combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

#### **Ruth Morefield:**

That e-book can make you to feel relax. This book The Name of God in Jewish Thought: A Philosophical Analysis of Mystical Traditions from Apocalyptic to Kabbalah (Routledge Jewish Studies Series) was vibrant and of course has pictures on the website. As we know that book The Name of God in Jewish Thought: A Philosophical Analysis of Mystical Traditions from Apocalyptic to Kabbalah (Routledge Jewish

Studies Series) has many kinds or variety. Start from kids until teens. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading that will.

**Edward Franco:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Name of God in Jewish Thought: A Philosophical Analysis of Mystical Traditions from Apocalyptic to Kabbalah (Routledge Jewish Studies Series) can make you really feel more interested to read.
