### War of the Worldviews: A Christian Defense Manual By Gary DeMar

As we travel around the country promoting our new book, War of the Worldviews: Science vs. Spirituality, people are asking about the major points of contention between science (the worldview represented by Leonard Mlodinow) and spirituality (the worldview represented by Deepak Chopra). Do we always disagree or are there some points of agreement? We thought it would be appropriate to summarize the major differences and agreements in a short note. Our book has four major sections: Cosmos, Life, Mind and Brain and God. Depak Chopra, Leonard Mlodinow
