Choose the Life You Want: The Mindful Way to Happiness By Tal Ben-Shahar

What kind of life do you want for yourself? What choices will create this kind of life?

In his *New York Times* bestseller *Happier*, positive psychology expert Tal Ben-Shahar taught us how to become happier through simple exercises.

Now, in *Choose the Life You Want*, he has a new, life-changing lesson to share: Drawing on the latest psychological research, Ben-Shahar shows how making the right choices—not the big, once-in-a-lifetime choices, but the countless small choices we make every day almost without noticing—has a direct, long-lasting impact on our happiness.

Every single moment is an opportunity to make a conscious choice for a happy and fulfilled life. *Choose the Life You Want* covers 101 such choices, complete with real-life stories, to help you identify and act on opportunities large and small.

Editorial Review

Review

“Narrator Traber Burns, whose performance is both empathetic and authoritative, adopts a paternal tone that fits well with Ben-Shahar’s material. . . . He sounds . . . like a regular person who has seen some rough times, and found his way through them.”

—*Publishers Weekly*

Users Review

From reader reviews:

Cary Burgess:

The book Choose the Life You Want: The Mindful Way to Happiness can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book Choose the Life You Want: The Mindful Way to Happiness? Some of you have a different opinion about e-book. But one aim which book can give many facts for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or data that you take for that, it is possible to give for each other; it is possible to share all of these. Book Choose the Life You Want: The Mindful Way to Happiness has simple shape but you know: it has great and big function for you. You can search the enormous world by start and read a reserve. So it is very wonderful.

Robert Thomas:

In this 21st hundred years, people become competitive in each way. By being competitive right now, people have do something to make these survives, being in the middle of the crowded place and notice by simply surrounding. One thing that often many people have underestimated the idea for a while is reading. That's why, by reading a guide your ability to survive improve then having chance to endure than other is high. To suit your needs who want to start reading a book, we give you this particular Choose the Life You Want: The Mindful Way to Happiness book as basic and daily reading reserve. Why, because this book is more than just a book.

Marilyn Vance:

Information is provisions for folks to get better life, information currently can get by anyone on everywhere.

The information can be a knowledge or any news even an issue. What people must be consider when those information which is inside the former life are challenging be find than now could be taking seriously which one would work to believe or which one the particular resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Choose the Life You Want: The Mindful Way to Happiness as your daily resource information.

William Glover:

The reason? Because this Choose the Life You Want: The Mindful Way to Happiness is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.
