**Confessions of an English Psychopath** By Jack Strange

An unscrupulous young man called Lawrence is recruited to work as an assassin for the British Secret Service. The work goes well until one day he gains access to a locked room at his place of work and uncovers a terrible secret. James Bond meets Dexter Morgan in this twisted, shocking, and savagely funny novel. A note from the author: When I wrote this story I set out to create a character who was monstrously evil, yet also charming and likeable. Have I succeeded? You be the judge of that. - Jack Strange
