Destiny (The Immortals Book 3) By Maggie Shayne

“Intense, mystical and lyrical,” Raves Library Journal, calling New York Times Bestseller Maggie Shayne “one of romantic fantasy’s most accomplished authors.”

Nidaba, the high priestess he adored, had supposedly died in a fire more than four thousand years ago. But when the one-time King of Sumer, Eannatum, now living a quiet life as modern Nathan King, sees her photo in a newspaper, he has to know for sure.

He finds the once powerful High Priestess of Inanna in a locked mental unit, catatonic and alone. But when he breaks her out, taking her to his peaceful haven to make her well again, he doesn’t know that the dark one who tore them apart long ago is watching, or that he is putting his new life, and all those he loves, at terrible risk.

Scenes from the land of Ancient Sumer are skillfully blended into this contemporary novel, through flashbacks, memories and dreams, much like what is done in TV series like Lost, Revolution, and Once Upon a Time.

If you read and loved ETERNITY and IFNITY, books 1 and 2 in this series, you must have the third tale

“I am a huge fan of Maggie Shayne's paranormal fiction, and Destiny is among her best. The book kept me rivited. The detail and description of life in the ancient time of Sumer is absolutely fascinating. Her characters are appealing and well drawn. No one writes romance like Maggie.”

~Christine Allen-Riley, Grand Rapids MI.

Editorial Review

From Library Journal

Sweeping across eons, the immortal protagonists in Shayne's latest romantic fantasy are united once again after 4000 years of separation when Nathan (Eannatum) sees a newspaper photograph and recognizes Nidaba, a girl he had known in Sumer so many years ago and has never forgotten. But their reunion does not unnoticed, and the Dark Ones, who have been waiting for centuries to exact their vengeance, are determined to succeed. Intense, mystical, and lyrical, this novel takes a pair of powerful witches torn apart by an ancient evil and brings them full circle back to love. One of romantic fantasy's most accomplished authors, Shayne (Infinity), also writes in a number of other romance subgenres; she lives in Plymouth, NY.

Users Review

From reader reviews:

Deloris Wagner:

As people who live in the particular modest era should be up-date about what going on or information even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which you should start with. This Destiny (The Immortals Book 3) is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Kevin Ortiz:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is in the former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Destiny (The Immortals Book 3) as your daily resource information.

Irene Allen:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to select book like comic, short story and the biggest an example may be novel. Now, why not attempting Destiny (The Immortals Book 3) that give your pleasure preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the way for people to know world much better then how they react toward the world. It can't be claimed constantly that reading practice only for the geeky person but for all of you who wants to be success person. So, for every you who want to start studying as your good habit, you could pick Destiny (The Immortals Book 3) become your own personal starter.

Leola Grant:

Your reading 6th sense will not betray you actually, why because this Destiny (The Immortals Book 3) guide written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written with good manner for you, leaking every ideas and publishing skill only for eliminate your current hunger then you still uncertainty Destiny (The Immortals Book 3) as good book not simply by the cover but also with the content. This is one guide that can break don't assess book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.
