**God Speaks: Finding Hope in the Midst of Hopelessness** By Ray Comfort

**From the mouth of Almighty God are precious gems that bring with them profound hope.** Although we try to fortify ourselves against the storms of life, they are virtually unavoidable. We can find hope in the Old Testament story of Job. When Job lost everything, he never lost his faith in God. Instead he sought a face-to-face audience with God, because he had several questions that he needed answered. When God spoke He didn't answer even one of Job's questions. Instead, He had 70 questions of His own.

Within these 70 questions are hidden amazing scientific truths that were not discovered by this world until more than three thousand years later. God Speaks is filled with remarkable knowledge, wisdom of which the world knows nothing — precious gems that bring with them hope of which this pain-wracked world could use now more than ever.
