Mengele: The Complete Story By Gerald L. Posner, John Ware

Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and family photos, this definitive biography of German physician and *SS-Hauptsturmführer* Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death." From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, *Mengele* examines the entire life of the world's most infamous doctor.

Editorial Review

From Publishers Weekly

Based on five years' research and exclusive access to family papers, this highly engrossing book gives the fullest account yet published of Josef Mengele's life. Posner, a Manhattan attorney, and Ware, a British journalist, also examine the efforts to bring the doctor to trial and draw conclusions about why he was never caught. They separate fact from legend, account for the false trails that enticed West German and Israeli agents and self-appointed Nazi hunters, and describe the media circus in 1985 when the grave of the "Angel of Death" was finally found. The book is filled with startling touches, such as Mengele's first wife's comments after visiting her husband at Auschwitz when he was conducting his "experiments." The book is an exciting chronicle of escape, evasion, close calls and fearful loneliness. Through extended quotes from a diary Mengele kept from May 1960 until shortly before his death in 1979, plus the comments of many people who knew him at various stages, a memorable multifaceted portrait of "the world's most hated man" emerges. Photos. 50,000 first printing; \$20,000 ad/promo; author tour. (June

From Library Journal

This well-written biography is far superior to Gerald Astor's *The "Last" Nazi: the life and times of Dr. Joseph Mengele* (LJ 11/1/85). Through Mengele's son, the authors were given access to their subject's letters and private diaries. Judicious use of these materials represents the book's greatest strength. Though Mengele's nightmarish Auschwitz activities almost defy rational analysis, the authors have done their best. Fully two-thirds of the study, however, addresses Mengele's years of evasion, and it is here that a more "human" Mengele emerges lonely, frightened, and totally remorseless. Clearly documented and frequently exciting, this is the one popular account that libraries should acquire. Mark R. Yerburgh, Trinity Coll. Lib., Burlington, Vt.

Review

Well researched and wonderfully free of all the customary fantasy and exaggeration.... Fascinating. (*The New York Review Of Books*)

It's a pity that the official search for him did not match the vigor with which Posner and Ware stalk their subject in print. (*The San Francisco Chronicle*)

The fullest account yet published.... Posner and Ware examine the efforts to bring the doctor to trial, separate fact from legend, account for the false trails that enticed Israeli agents and self-appointed Nazi hunters, and explain why he was never caught. ... *Mengele* is filled with startling touches. The book is an exciting chronicle of escape, evasion, and close calls. (*Publishers Weekly*)

[A] welcome addition to the study of the Holocaust.... *Mengele* offers us insight into one of the most infamous perpetrators of the holocaust. (Michael Berenbaum, director, Sigi Ziering Institute, American Jewish University)

Students of the Holocaust are fortunate to have this book in print once again. Posner and Ware have aptly titled their book; this is the complete story. The authors bring flair to the telling. It is a riveting tale. (*The Historian*)

Users Review

From reader reviews:

Daniele Chambers:

What do you concentrate on book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Merely you can be answered for that concern above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't want do that. You must know how great along with important the book Mengele: The Complete Story. All type of book is it possible to see on many solutions. You can look for the internet options or other social media.

Arnold Browning:

The actual book Mengele: The Complete Story has a lot details on it. So when you read this book you can get a lot of advantage. The book was published by the very famous author. Tom makes some research previous to write this book. That book very easy to read you can find the point easily after looking over this book.

Diane Walker:

This Mengele: The Complete Story is great e-book for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This specific book reveal it info accurately using great organize word or we can declare no rambling sentences within it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but hard core information with wonderful delivering sentences. Having Mengele: The Complete Story in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen moment right but this guide already do that. So , this can be good reading book. Heya Mr. and Mrs. hectic do you still doubt in which?
