### Paige's Warriors (Bondmates Book 3) By Ann Mayburn

After a lifetime of war, Commander Trenzent has left behind the bloody battlefields of the Bel'Tan galaxy and traveled to Earth in the hopes of finding his bondmate. He can only pray that the one woman in the universe who can save his battered soul can look past his scarred exterior to the man within. Unfortunately for Tren, his potential bride is terrified of men thanks to years of abuse at the hands of her father and won't be easy to seduce.

Paige Grant is pretty sure she's losing her mind obsessing about a man who doesn't exist. Ever since the night a wormhole opened up next to Jupiter she's had these intense dreams about a terrifying, damaged man who awakens a passion inside of her she never knew existed. Despite his grim exterior, he makes her feel safe, something she desperately needs in the real world as she fights off the advances of a man who will not take no for an answer.

But Trenzent isn't the only Kadothian warrior who believes Paige is his bondmate. An old political enemy and one time lover of Tren's, Rell Thantos, also believes the sweet and shy young Earth woman holds the missing part of his soul. He will do whatever it takes to win her heart, even if it means being bonded with a man who hates him.

The men will have to find a way to get past their anger and work together to protect Paige against an unknown enemy who is determined to keep the women of Earth out of the Bel'Tan Galaxy forever.

Warning- This story is set in the Bel'Tan galaxy where polyamorous relationships are the norm and love in all of its forms is accepted including M/M, M/M/F, M/M/M/F sexual situations hot enough to melt your panties.

### Editorial Review

#### From the Author

**Author's Note:** Some of you may have received earlier editions of Paige's Warriors where I spell Roxy's name as Roxie instead of Roxy. This is a typo on my part that was changed in later editions, but if you got one with the misspelling, I apologize. One of my best friends had a daughter between the writing of Casey's Warriors and Paige's Warriors, a daughter that she named...Roxie. ;) Love the name, but I type 'Roxie' probably about ten times a day while chatting with her and that spelling of 'Roxie' stuck in my head as I wrote Paige's Warriors.

So, if you have the Roxie version instead of the correct Roxy, please contact Kindle and have them update your file to the new version.

Thanks!

Ann

PS- Roxy or Roxie, it's still one of the cutest freaking girl names out there and Aunt Ann loves her real life baby Roxie very much, though she won't be allowed to read this book until she's 30

### Users Review

#### From reader reviews:

##### Thomas Bedwell:

Reading a e-book tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need instance.
