### **Positioned for Miracles: Making your life an amazing story** By Jerry Stott

Haven't we all heard amazing stories from missionaries and wondered why those same miracles don't happen for us? Dr. Stott not only shares incredible miracle stories, but also teaches through the Scripture how we can all experience the miraculous in everyday life.

Using Jesus' first miracle--turning water into wine at the wedding feast--as a pattern, Jerry highlights seven principles or ingredients that position us to experience more miracles in our lives and ministries. While not all of the ingredients have to be present for a miracle to occur, the more consistently these principles appear, the more consistently miracles occur.

Combining true stories of miracles with scriptural principles, positioned for MIRACLES will encourage and challenge your faith to believe for miracles in your own life and ministry, while providing some solid practical advice on walking in the Spirit.
