After spending more than a week at **Ray** and her mother's house, Natalie is positive not just that she can never try to have a relationship with her mother again, but that she never wants to be without him.

What started as just an **irresistible to her gorgeous alpha male stepfather** has turned into a powerful love that she just can't walk away from, but when she has to return home and face the real world again, she worries that she may not have a choice, especially when she finds out that Ray and Gloria signed a prenuptial agreement with a specific clause that could make getting out of his marriage to her mother extremely difficult.

After a month apart Ray and Natalie finally see each other again, only this time they are forced to see each other out of the context of a vacation and confront the first person that may have reason to question their relationship. Will they make it through or was he just a vacation dream she has to let go?
