She's My Baby (Kimani Romance) By Adrienne Byrd

No husband, no boyfriend, no pets and definitely no children...

These were the "rules" that took magazine CEO Leila Owens to the top. Always in charge, in control, she was never rattled. Until she finds a baby in her kitchen on Christmas—and a sexy neighbor wearing next to nothing knocking at her front door...

Gerrick Grayson didn't know whom to comfort first, the howling infant or the career diva without a clue. But with a little help, Leila's soon juggling bottles, naps and meetings, while Gerrick is falling for adorable Emma—and gorgeous, feisty, maternally challenged Leila. Gerrick had sworn off women married to their jobs; Leila had sworn off everything else. So why, when they were together, did things feel so...right?

Editorial Review

Review

"... she's a wonderful storyteller . . . the surprise at the end of this one makes this excellent novel well worth the read." -- *Romantic Times BOOKclub on The Beautiful Ones*

Users Review

From reader reviews:

Jerry Sonnier:

The particular book She's My Baby (Kimani Romance) will bring you to the new experience of reading any book. The author style to explain the idea is very unique. Should you try to find new book to see, this book very ideal to you. The book She's My Baby (Kimani Romance) is much recommended to you to learn. You can also get the e-book from official web site, so you can more easily to read the book.

Edward Lott:

Exactly why? Because this She's My Baby (Kimani Romance) is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the publication store hurriedly.

Rosalie Cox:

In this period of time globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You will see that now, a lot of publisher which print many kinds of book. Often the book that recommended to you personally is She's My Baby (Kimani Romance) this e-book consist a lot of the information on the condition of this world now. This particular book was represented so why is the world has grown up. The language styles that writer use to explain it is easy to understand. The particular writer made some analysis when he makes this book. Honestly, that is why this book ideal all of you.

Theodore Dubose:

A lot of guide has printed but it is unique. You can get it by internet on social media. You can choose the

best book for you, science, comic, novel, or whatever simply by searching from it. It is identified as of book She's My Baby (Kimani Romance). You can include your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make anyone happier to read. It is most critical that, you must aware about publication. It can bring you from one destination for a other place.
