**Tale of Two Cities (with panel zoom) - Classics Illustrated** By Charles Dickens

"It was the best of times, it was the worst of times. It was the age of wisdom, it was the age of foolishness. It was the spring of hope, it was the winter of despair" Set in the year 1775, between the cities of London and Paris, we are thrown into the turmoils of the time, where love, intrigue and self-sacrifice all lead up to the guillotine. A Tale of Two Cities is Charles Dickens' unforgettable story of love and ultimate sacrifice. Beautifully illustrated, this tale captures the imagination of readers of all ages and inspires a love of reading and literature. A must-have classic for your digital library! Optimized for Kindle devices and featuring Panel Zoom facility.

### Editorial Review

From School Library Journal

Grade 9 Up—Charles Dickens's classic tale of one family's suffering during the French Revolution is brought to life in this audio adaptation. The voice of Audie Award-winning narrator Simon Vance sets the tone for the characters and creates the Dickensese mood of the times when the rich and the poor were far apart and no one was exempt from the ensuing wrath during the Revolution. Vance's tone varies from soothing to animated while creating different voices for the characters and using appropriate accents. A bonus feature on the last CD is an e-book in pdf format that can be printed or used as a read-along while listening to the audio. This easily navigated feature would be particularly helpful for struggling readers.—*Jeana Actkinson, Bridgeport High School, TX*

### Review

“[*A Tale of Two Cities*] has the best of Dickens and the worst of Dickens: a dark, driven opening, and a celestial but melodramatic ending; a terrifyingly demonic villainess and (even by Dickens’ standards) an impossibly angelic heroine. Though its version of the French Revolution is brutally simplified, its engagement with the immense moral themes of rebirth and terror, justice, and sacrifice gets right to the heart of the matter . . . For every reader in the past hundred and forty years and for hundreds to come, it is an unforgettable ride.”—from the Introduction by Simon Schama

### Review

"I've come to prefer Oxford's editions of my texts because of the usefulness of the explanatory notes and above all the inclusion of vital contextual information about publishing practices (serialization dates, etc.) and historical background that are essential to my method of instruction."--Prof. Martha Holmes, *Univ. of Colorado*
