The Billionaire's New Assistant: Part 1 (The New Dominators) By Georgina Sand

The Billionaire's New Assistant: Part 1 -- the first part in a BDSM erotic romance series that's a little fantasy, a little contemporary, a little billionaire and hot as hades!

Corey is a smart girl who just needs someone to give her a break. When she interviews with billionaire Lucas Hain, she discovers a virile, arrogant man who might be the most intriguing alpha male she's ever met. She knows that this is the chance she's been waiting for...and decides she'll do whatever it takes to get the offer.

Lucas Hain is a playboy with money, looks, all the women he wants and the respect of his colleagues; but he hasn't found the personal executive assistant he's been looking for, despite a dozen interviews. It only takes a single conversation with Corey, however, to convince him that he's finally found the right one.

But when Corey accepts the job offer and reports for her first day of work, she stumbles across Mr. Hain's daily standup meeting and gets the hottest surprise of her life. Business-as-usual at Hain Enterprises, she realizes, is anything but...

The Billionaire's New Assistant is a contemporary erotic romance that is the length of a novelette, or about 10,000 words (50 pages). Erotica has a long history of celebrating the short form. I'm excited to be able to offer this work for free. Enjoy.

This story is part of the The Dominators erotic romance series. It can be read as a stand-alone novel or in any order with the series.

The publishing order of the series is as follows:

- The Billionaire's New Assistant
- The Billionaire's Assistant On Top

About the Author

Georgina Sand lives by day as a buttoned-up corporate type, writing technical specifications, analyzing processes and data, going to nerd conventions and eating the same lunch every day in the company cafeteria.

By night, however, it's an entirely different story--she ditches the flat shoes and business suit, and cuddles up with her laptop and a glass of wine to write stories that are wicked hot and sometimes kinky, but always inventive and full of emotion. She adores sensuality, high heels and travel; and her dearest wish is to make her readers purr and feel like they're there, in the story, experiencing it themselves.
