The Complete Stories By Clarice Lispector

Clarice Lispector's Complete Stories, 85 in all, are an epiphany, among the important books of this?or any?year

The recent publication by New Directions of five Lispector novels revealed to legions of new readers her darkness and dazzle. Now, for the first time in English, are all the stories that made her a Brazilian legend: from teenagers coming into awareness of their sexual and artistic powers to humdrum housewives whose lives are shattered by unexpected epiphanies to old people who don't know what to do with themselves. Clarice's stories take us through their lives?and ours.

From one of the greatest modern writers, these stories, gathered from the nine collections published during her lifetime, follow an unbroken time line of success as a writer, from her adolescence to her death bed.

Editorial Review

Review

"*Complete Stories* is an enchanting compilation marked by Lispector's sharp and stylistically playful use of language." (Art in America)

"Clarice Lispector had a diamond-hard intelligence, a visionary instinct, and a sense of humor that veered from a naïf wonder to wicked comedy." (Rachel Kushner)

"One of the hidden geniuses of the twentieth century." (Colm Tóibín)

"Lispector reads with lively intelligence and is terrifically funny. Language, for her, was the self's light." (Lorrie Moore)

"The elusive genius who dramatized a fractured interior world in rich, synesthetic prose." (Megan O'Grady - Vogue)

"Clarice Lispector is the premier Latin American prose writer of the century." (New York Times Books Review)

"*The Complete Stories* is bound to become a kind of bedside Bible or I Ching for readers of Lispector, both old and new." (Valeria Luiselli - Publishers Weekly)

"Her long-awaited arrival ? of which this is only the beginning ? might be compared to the translation and publication of Kafka's work in early 1940s." (*Flavorwire*)

"To fans, Lispector is simply 'Clarice,' like Cher or Madonna or her countryman, Pele." (Brenda Cronin - The Wall Street Journal)

"Through these 85 stories, these mini invasions, it's apparent that yes, Clarice Lispector was indeed a singular artist. Decades after her death, she continues to champion the possibilities of language, and its ability to mesmerize." (Juan Vidal - NPR)

"Startlingly innovative." (Elissa Shappel - Vanity Fair)

"A genius on the level of Nabokov." (Jeff VanderMeer - Slate Magazine)

"For readers who worship at the altar of Lispector, the appearance of new work in translation is an event...Calling the release of Lispector's *Complete Stories* in English an "epiphany" in its promotional copy may sound like hyperbole. It's not." (The Millions)

"The fruit of a most original and daring mind. In the best stories, something deeply strange is fully visualized by Lispector, as though it had come in a waking dream and it needed to be given urgent substance." (Colm Tóibín - NYRB)

"Writing to prolong a life at its end, Lispector increasingly writes in the creases of time." (Ava Kofman - The Nation)

“A gorgeous, exhausting, *sui generis* collection.” (Dustin Illingworth - 3:AM)

About the Author

Clarice Lispector was born in 1920 to a Jewish family in western Ukraine. As a result of the anti-Semitic violence they endured, the family fled to Brazil in 1922, and Clarice Lispector grew up in Recife. Following the death of her mother when Clarice was nine, she moved to Rio de Janeiro with her father and two sisters, and she went on to study law. With her husband, who worked for the foreign service, she lived in Italy, Switzerland, England, and the United States, until they separated and she returned to Rio in 1959; she died there in 1977. Since her death, Clarice Lispector has earned universal recognition as Brazil's greatest modern writer.

Benjamin Moser is the author of *Why This World: A Biography of Clarice Lispector*, which was a finalist for the National Book Critics' Circle Award, and is also the editor of a new translation of Clarice Lispector's work, of which this is the sixth volume. A former books columnist at Harper's Magazine, Moser is now a columnist at The New York Times Book Review, and is currently at work on the authorized biography of Susan Sontag. He lives in the Netherlands.

Katrina Dodson's work has appeared in *Granta*, *McSweeney's*, and *Two Lines*. She is a PhD candidate in Comparative Literature at the University of California, Berkeley.

Users Review

From reader reviews:

Tanya Minor:

Reading can called brain hangout, why? Because while you are reading a book specially book entitled The Complete Stories the mind will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely might be your mind friends.
