**A Fox's Vacation (American Kitsune) (Volume 5)** By Brandon Varnell

Hot springs, nude scenes, and fan service galore! Spring break has finally come. Kevin and Lilian are traveling to California with their friends and family, where they plan to enjoy a week at the beach and attend the San Diego Comic-Con. Of course, with this mixed bag of yokai and humans involved, disaster waits around every corner. Between getting caught in the middle of a war involving kappa and kitsune, a mysterious assassin who's trying to kill Lilian, and the spandex-clad Sons and Daughters of Humanity, Kevin is going to have his hands full. He really should have seen this coming. Whoever said that hindsight is fifty-fifty deserves to be punched in the face.

### **Editorial Review**

#### **About the Author**

Brandon Varnell is a writer... the end. ... Just kidding. Brandon Varnell is the writer of the American Kitsune series. He has absolutely no skill at anything aside from writing and looking half-baked. He used to play guitar, but due to laziness, he never went anywhere with it. He also used to play a lot of video games, but after suffering this terrible affliction called book addiction, he only plays occasionally these days. Brandon lives mostly within his own imagination, but can occasionally be found in Phoenix, Arizona.
