### Fashionably Dead Down Under: Book Two of the Hot Damned Series (Volume 2) By Robyn Peterman

Vampyres don't exist. They absolutely do not exist. At least I didn't think they did 'til I tried to quit smoking and ended up Undead. Who in the hell did I screw over in a former life that my getting healthy equates with dead? Now I'm a Vampyre. Yes, we exist whether we want to or not. However, I have to admit, the perks aren't bad. My girls no longer jiggle, my ass is higher than a kite and the latest Prada keeps finding its way to my wardrobe. On the downside, I'm stuck with an obscenely profane Guardian Angel who looks like Oprah and a Fairy Fighting Coach who's teaching me to annihilate like the Terminator. To complicate matters, my libido has increased to Vampyric proportions and my attraction to a hotter than Satan's underpants killer rogue Vampyre is not only dangerous . . . it's possibly deadly. For real dead. Permanent death isn't on my agenda. Avoiding him is my only option. Of course, since he thinks I'm his, it's easier said than done. Like THAT'S not enough to deal with, all the other Vampyres think I'm some sort of Chosen One. Holy Hell, if I'm in charge of saving an entire race of blood suckers, the Undead are in for one hell of a ride. \*\*\*\*\* "Uproariously witty, deliciously provocative, and just plain fun! No one delivers side-splitting humor and mouth-watering sensuality like Robyn Peterman. This is entertainment at its absolute finest!" ~ Darynda Jones, NY Times Bestselling Author of the Charley Davidson Series

### **Editorial Review**

#### **About the Author**

Robyn Peterman writes because the people inside her head won't leave her alone until she gives them life on paper. Her addictions include laughing really hard with friends, shoes (the expensive kind), Target, Coke Zero Cherry with extra ice in a styrofoam cup, bejeweled reading glasses, her kids, her super-hot hubby and collecting stray animals. A former professional actress, with Broadway, film and T.V. credits, she now lives in the south with her family and too many animals to count. Writing gives her peace and makes her whole, plus having a job where you can work in your underpants works really well for her. You can leave Robyn a message via the Contact Page and she'll get back to you as soon as her bizarre life permits! She loves to hear from her fans!

### **Users Review**

#### **From reader reviews:**

##### **Ann Gross:**

In other case, little folks like to read book Fashionably Dead Down Under: Book Two of the Hot Damned Series (Volume 2). You can choose the best book if you appreciate reading a book.
