Guinea Pigs: The Essential Guide To Ownership, Care, & Training For Your Pet (Guinea Pig Care) By Kate H Pellham

Do you own a guinea pig but don't know the first thing about how to take proper care of it? Are you considering getting one but want to make sure it's really the best decision for you? Whatever your situation, this book will teach you everything you need to know to make sure you are making the best possible decisions. Taking care of any pet can be a huge responsibility. That's why it is so important to do your research and really know what you are getting yourself into before you actually commit to owning any pet. Guinea pigs are no exception to this rule. While they are becoming increasingly more common as household pets, guinea pigs are still somewhat exotic and, as a result, most people don't really know much about exactly what they need. That's exactly where this book comes in. If you've been browsing the animal shelter or pet websites and can't resist the adorable furry face of those guinea pigs you've seen, read this book before you make an impulse decision you might regret. You'll learn about:

- The 10 different breeds of guinea pig you can own as a pet
- The pros & cons of owning a pet guinea pig
- The supplies you'll need to provide a proper home for your new pet (and a rough estimate of how much it will cost)
- The basic care you will need to provide for your guinea pig
- How to train your guinea pig to do cool & useful tricks
- A brief overview of how to breed your pet guinea pig and sell the offspring

So get this book and decide if this adorable little creature is the right addition to your home and then learn how you can be the best guinea pig parent there ever was!
