**NOW A NEW YORK TIMES BESTSELLER!!!!**

Wrong turns, humiliating flops, painful heartbreaks--and happiness? Yes, believe it or not, they *can* go hand in hand. Blogger and author Mandy Hale, affectionately known as "The Single Woman" to her half-million social-media followers, is living an adventurous life that proves even our lowest lows and messiest mess-ups can point us toward our joy-filled destiny as single women.

In *I've Never Been To Vegas, But My Luggage Has*, Mandy delivers heart-to-heart, often hilarious stories from a life filled with love and loss, glamour and goose bumps, faith and friendship, big dreams and battle scars. She shares the bittersweet euphoria of her high-school romance, the panic-stricken cluelessness of her first day on a stressful job, and the foot-in-mouth horror of her red-carpet interview with a music legend.

Along the way, Mandy dollops personal anecdotes with encouraging insights. From thrilling first kisses to crushing break-ups, from soaring career milestones to promising flights that never quite got off the ground, she unfolds in often uproarious detail the zigzags along the path toward a pinnacle moment: sharing a table and a pinch-me-I'm-dreaming conversation with her lifelong hero.

In the end, Mandy turns Sin City's infamous marketing slogan on its head: What *happens* in her life doesn't *stay* in her life. She shares even her darkest moments in witty, winsome ways that make us not only feel her pain, but also laugh with her and apply her hard-won nuggets of inspiration to our own lives.

"Happily Ever After" might not look or feel quite like what we expect, but as Mandy is discovering--and as we can discover along with her--it is *well* within our reach.
