**Playing It Close (London Legends Book 2)** By Kat Latham

*Book two of the London Legends*

Where do you go to escape everything when you're one of the most famous rugby players in the world? For Liam Callaghan, that place is a remote lodge on Venezuela's Caribbean coast. Perfect, except he doesn't exactly want to be alone with his thoughts. Enter Tess Chambers, the ultimate distraction.

Still reeling from a professional disaster that's made her all but unemployable, Tess understands the desire to move through life as somebody else. So when instantly recognizable Liam uses a fake name, she runs with it and creates a temporary new identity of her own.

Their time spent together in paradise is idyllic but brief--after one passionate night, Liam wakes up to find Tess gone. Returning to London, he's shocked to learn she's taken a job with his team's new sponsor. As the Legends' captain, he'll have to not only figure out how to work with the one woman who ever left him wanting more, but also convince her that their feelings in the present mean more than any lies they've told in the past.

### From the Author

Hi, readers! When I first came up with Liam's character in **Knowing the Score**, he kept making me smile. In that book, he's the hero's best mate and team captain, a man who's at the top of his career but has terrible taste in women. I kept wondering what made him choose the wrong women -- and I wanted to find him someone special. I hope you'll agree that Tess is perfect for him, drawing out heroic qualities he never knew he had and giving him a chance to be at the top of his game *off* the rugby pitch as well as on it.
