1,107 Baby Names That Stand the Test of Time By Jennifer Griffin

There are tens of thousands of baby names out there—and books that dutifully list them. And then there is *1,107 Baby Names That Stand the Test of Time*—a curated, considered, opinionated, and richly informative guide that winnows down the world of baby names to help moms and dads make smart choices, sidestep the trendiness trap, and avoid the ranks of parents (more than 54%) who later regret the name they chose.

This is the book for parents who know they are naming not only a cuddly newborn but an actual human being who will be proud to carry this name throughout his or her entire life—a name like **Eloise**, the French version of Louise, which means “fighter,” perfect for a feisty girl; **Brendan**, a solid Celtic name meaning “prince”; or **Beatrice**, an old-fashioned beauty with roots in both Dante and Shakespeare. *1,107 Baby Names* makes a strong case for each name selected and features the name’s definition, its use in history, its connotations and subtleties, and its “meaning” in the fuller, cultural sense of the word. Included are variations, nicknames (with suggestions for working backward from a nickname to something with more gravitas), and, especially useful, alternatives—names that have the same flavor but may be less common or sound better with a particular last name or family background. There’s a guide to the basic rules of baby-naming: scansion—the sounds, syllables, and rhythm of a name, and how it goes with a last name; ethnic traditions; recent trends; and effective use of a middle name.

1,107 Baby Names was formerly published under the title *Bring Back Beatrice!* and is now offered with a clearer, more direct title. But the distinctive promise is the same: This is the book you need to find a name that reflects your values and will bring joy to your child.

Editorial Review

About the Author

Jennifer (“soft and white”) Griffin is the author of *Humpty Who?* and the mother of two. As a Jennifer—the most common name of her generation—she has been obsessed with names her whole life. She and her husband live in New York City with their son, Luke (“worshipful”), and daughter, Josephine (“God adds”).

Users Review

From reader reviews:

Donna Salerno:

What do you with regards to book? It is not important to you? Or just adding material when you require something to explain what yours problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. They have to answer that question because just their can do in which. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this specific 1,107 Baby Names That Stand the Test of Time to read.

Roberto Garcia:

Nowadays reading books become more and more than want or need but also get a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining such as comic or novel. The 1,107 Baby Names That Stand the Test of Time is kind of reserve which is giving the reader unstable experience.
