If you are trying to conceive naturally and considering natural childbirth either in the hospital or the Bradley way, if you are pregnant for the first time over 40, a first-time new mother, and want information about home birth, water birth, supplies, conception tips, this is an excellent pregnancy gift or book on pregnancy and delivery for a new first-time mother.

45 and PREGNANT is a 3-part journey that begins with a 44-year-old single woman with no prospects, that leads quickly to a middle-aged pregnancy. Her fears and worries about childbirth with her historically low pain threshold were later transformed by her decision to have a home water birth with no drugs and her success story that involved no complications. Beginning with a serendipitous love story that led to the sudden pregnancy and concluding with the family events that transpired beyond the delivery, Liz Angeles provides a plethora of information for anyone considering a natural birth. Her comical memoir spanning a 5-year period includes many healthy pregnancy tips and natural parenting options. Her revealing details and personal choices promise to educate, entertain and inspire.
