## **Editorial Review**

### **Review**

This comprehensive book, infused by an attitude of welcome and understanding, will be useful to those who think of becoming Jewish, and to their families on both sides. One of my students said this was the most helpful guidebook for the would-be convert yet. (Rabbi Rachel Cowan, The Nathan Cummings Foundation)

Though Jews are frequently referred to as 'the people of the book,' there are in fact very few books that one could read that would help a person become a part of the Jewish people if he or she was not born of it. In an age of the 'user-friendly' guide to virtually all interests and endeavors, Professor Epstein has performed a holy service in producing a 'user-friendly' guide to modern Judaism, making entrée into it readily available to all who might be interested. (Dr. Egon Mayer, Jewish Outreach Institute)

It should serve well, and represents a good motivational tool without in any way 'preaching' or utilizing devices that are meant to wheedle. Its forthright approach is one of its greatest assets..... (Dr. Morton K. Siegel, The United Synagogue of Conservative Judaism)

Down-to-earth and accessible, this guide will be useful for those looking for a thorough yet brief introduction to Judaism and the path toward conversion. (Rabbi Alexander M. Schindler, Union of American Hebrew Congregations)

It should serve well, and represents a good motivational tool without in any way 'preaching' or utilizing devices that are meant to wheedle. Its forthright approach is one of its greatest assets. (Dr. Morton K. Siegel, The United Synagogue of Conservative Judaism)

Reading behavior all over the world can be said as the method for people to know world better then how they react toward the world. It can't be claimed constantly that reading practice only for the geeky man or woman but for all of you who wants to always be success person. So , for all of you who want to start reading as your good habit, you can pick Conversion to Judaism: A Guidebook become your own starter.

**Margherita Pettit:**

As we know that book is significant thing to add our expertise for everything. By a e-book we can know everything we wish. A book is a pair of written, printed, illustrated or even blank sheet. Every year has been exactly added. This book Conversion to Judaism: A Guidebook was filled regarding science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading a new book. If you know how big selling point of a book, you can sense enjoy to read a e-book. In the modern era like today, many ways to get book that you simply wanted.

**Connie Medina:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Conversion to Judaism: A Guidebook can make you really feel more interested to read.
