Editorial Review

From the Back Cover

PRAISE FOR *EVIDENCE-BASED ESSENTIAL OIL THERAPY*:

"A comprehensive, easy to use guide for parents from a reputable source. I will be recommending this guide not only to my families but to other physicians who need a resource when families ask about the incorporation of oils into their treatment plan."

Dr. Natalie Lambajian-Drummond, MD, *Parents Magazine* 'Our Favorite Pediatricians' 2014

"Provides thoroughly researched guidelines for the safe and effective use of essential oils . . . parents and providers alike will use this evidence-based information often for their loved ones and patients."

Carol Brinkman, NP, AFMCP Certified in Functional Medicine

"Easily understood and organized practically to help an expecting or new mom make this time healthier and more comfortable. I would recommend this book to any doula (or birth professional) who is interested in learning more about how to incorporate oils into their practice."

Maria Pokluda, Doula, 'Best Doula' DFW Child

"Dr. Johnson has done a wonderful job of creating a thorough and easy to read guide for expecting mothers!"

Amanda Devereux, RN, BBCD, Bbci, CHBE

About the Author

Dr. Scott A. Johnson is the bestselling author of ten books and more than 300 articles featured in online and print publications. He is the creator and founder of the Integrative Essential Oils Essential Oil Certification Program, and the originator of the Waterfall Technique™. He has a doctorate in naturopathy, is a board-certified alternative medical practitioner (AMP), Certified Elite Essential Oil Specialist (CEEOS), Certified Clinical Master Aromatherapist (CCMA), and Certified Professional Coach (CPC). His evidence-based approach to natural healing and experience conducting medical research make him one of the world's leading experts on the therapeutic application of essential oils. Dr. Johnson pioneered evidence-based essential oil therapy, which combines the art of ancient healing with modern science to maximize the benefits of essential oils. One of his research focuses is the safety of essential oils, and he has published internationally on the subject. He is an acclaimed international speaker and has delivered keynote presentations across North America, Europe, and Asia. Dr. Johnson draws on his wealth of experience and diverse educational background as he travels the globe to share the secrets of natural healing with those who seek greater wellness.

Users Review

From reader reviews:

Carla Floyd:
