

# Historical Dictionary of Sierra Leone (Historical Dictionaries of Africa)

By Magbaily C. Fyle

## Historical Dictionary of Sierra Leone (Historical Dictionaries of Africa) By Magbaily C. Fyle

Sierra Leone was founded, albeit under British control, with the highest hopes of being a refuge for liberated Africans and freed slaves. When the country received its independence, hopes for the future grew even stronger. Alas, its expectations came crashing down when the country's situation grew steadily worse after repeated military interventions and a devastating ten-year civil war that raged throughout the 1990s. Now that the war is over, there is once again renewed cause for optimism about the country's future, as Sierra Leone becomes an active participant in African and world affairs.

This new edition is based primarily on recent research on the country, but covers the earliest known inhabitants, the colonial era, and the period of independence including the very confusing turmoil of the recent past. The chronology briefly traces its history and the introduction provides an essential overview of all the recent developments in the country. Hundreds of cross-referenced dictionary entries describe significant leaders, events, political parties and movements, ethnic groups, and related political, economic, and social aspects. A bibliography is included to facilitate further research.

### Editorial Review

#### Review

Professor Fyle has done an excellent job and we are indebted to him for both simplifying and deepening our understanding of the country. This book is essential stock... (*Reference Reviews*, Vol. 21, No. 6 (2007))

Comprehensive and well written. (*American Reference Books Annual*, March 2009)

With a focus on recent decades, this reference for students, researchers, and general readers traces the history of Sierra Leone from its earliest known inhabitants to the present day. It contains several hundred alphabetically arranged entries describing crucial events, ethnic groups, movements, political parties, and significant persons. Also included are a chronology, maps, and tables of Sierra Leone's governors, heads of state, and chiefdoms and paramount chiefs. Fyle (Ohio State U.) is also the author of *The History of Sierra Leone: A Concise Introduction*. (*Reference and Research Book News*, August 2006)
