### Marvel Zombies: Dead Days From Marvel

At last - experience the birth of the Marvel Zombies as told by the creative team of the best-selling limited series, and then witness their rise as they attempt to slake their hunger across two universes! First, Robert Kirkman and Sean Phillips pull out all the stops as they reveal the secret story of the day the Marvel Heroes became brain-eating monsters! Next, follow the Marvel Zombies into the pages of Mark Millar and Greg Land's Ultimate Fantastic Four! Reed Richards has used his scientific genius to contact an Earth in a surprisingly familiar parallel dimension - and he's ready to visit! But nothing could have prepared him for the world he's about to enter! Finally, get out the hot sauce, True Believer - it's slobberin' time! In Reginald Hudlin and Francis Portela's Black Panther, the mainstream Marvel Universe's New Fantastic Four just made a wrong turn on the dimensional super highway - and they've landed in the middle of Zombie-verse! And if that weren't bad enough, they've parked their butts on that universe's Skrull Planet! Collects Marvel Zombies: Dead Days, Ultimate Fantastic Four #21-23, #30-32, and Black Panther #28-30.
