## **Michael Yardney's Rules of Property: Your plan for financial freedom through property investment in the new financial era** By Michael Yardney

Here's your plan for financial freedom in the new economic era, using property investment principles that are tried and tested by Australia's leading authority in wealth creation through property.

Fortunes will be made as Australia's property markets move into the next cycle and the divide between the rich and the average Australian is only going to widen. Yet Australia is the land of opportunity and becoming wealth does not have to be a dream.

So how do the wealthy get rich? It's not luck and it's not that they had a better education or rich parents.

For many it's because they know The Rules of Property Investment.

In his new book best selling author Michael Yardney will help you achieve your financial goals faster by showing you to grow a multi-million dollar property portfolio as he shares a roadmap of proven principles and updated strategies in THE RULES OF PROPERTY INVESTMENT.

This book is ideal for:

- Beginning property investors who want to fast track their success by understanding what successful property investors do
- Experienced investors who feel stuck and want to take their property investing to the next level, and
- Professional property investors who want to revisit the basics as well as learn some distinctions from Australia's leading expert in wealth creation through property.

### **ABOUT THE AUTHOR:**

Michael is one of Australia's leading experts in wealth creation through property.

He was voted Australia's best property investment adviser, is one of Australia's

most published property authors and has probably educated more successful property investors than anyone else in Australia. But he is not a theorist...

Michael is a successful property investor and property developer and, as a director of Metropole Property Strategists, his opinions as a property commentator are highly sought after and frequently quoted in the media.

In this, his 6th book, Michael helps you discover how the rich build their property portfolios to maximize their revenue, safeguard their assets and keep more money in their bank account.

Put simply...you'll be shown The Rules of Property Investment
