### Morgan's Run By Colleen McCullough

A New York Times Bestseller

A Publishers Weekly BestsellerRichard Morgan is a devoted husband, loving father, and a sober and hardworking craftsman. By the machinations of fate and the vagaries of the 18th-century English judicial system, he is consigned as a convict to the famous First Fleet, which set sail in May of 1787 for the newly discovered continent of Australia -- bearing, as an experiment in penology, 582 male and 193 female felons sentenced to transportation. Only epic can describe one of the most grueling and significant voyages in human history, and a stunning work that is at once rich entertainment and a revelation. This is an illustrated book.

### Editorial Review

#### From Library Journal

Richard Morgan has a fine life in mid-18th-century Bristol, England. He's a skilled gunsmith and a devoted family man. In his late 20s, his life falls apart; his wife and two adored children die over a short space of time, and he is framed for a crime he did not commit. After several years in the worst imaginable prisons, he is one of a large number of convicts put on a slave ship for the month's long voyage to Australia. He survives the brutish treatment with unbelievable equanimity and finds a new life in Botany Bay. Although Morgan's demeanor is so sunny as to be Pollyanna-ish, the history and drama woven through his life story are very absorbing. McCullough has a great sense of place and time when writing about Australia and its colorful past. Reader Tim Curry captures the voices eloquently. Recommended for libraries with historical fiction fans. Barbara Valle, El Paso P.L., TX
