Sexualities in Context: A Social Perspective By *Rebecca F. Plante*

Written in an accessible and clear manner, *Sexualities in Context* presents focused overviews and explorations of some of the most timely issues in the social construction of sex. This brief text is suitable for courses with coverage of gender and sexuality in sociology, psychology, women's and gender studies, and human development. The only book of its kind to address sexualities from a social perspective, Plante's analysis of the context of sexuality, sexual behaviors, and identities is both intelligent and readable. With contemporary topics, such as 'hooking up,' sexual fantasies, and bisexualities, along with examples of how to apply critical thinking, students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context. Employing useful pedagogical features like end-of-chapter questions and suggested projects, this is the ideal text to help students see that sex is not only personal but social and political as well.

Editorial Review

About the Author

Rebecca F. Plante is Associate Professor of Sociology at Ithaca College. She is the editor of two other books on sexualities and genders, and has written on these topics for scholarly journals and the popular press. Plante has also worked as a program evaluator of various state-level HIV/AIDS education programs and once hosted a radio call-in sex advice show.

Users Review

From reader reviews:

Thomas Schulz:

Why? Because this Sexualities in Context: A Social Perspective is an unordinary book that the inside of the guide waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who write the book in such incredible way makes the content within easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

George Walker:

This Sexualities in Context: A Social Perspective is great reserve for you because the content that is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it information accurately using great manage word or we can declare no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having Sexualities in Context: A Social Perspective in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Hi Mr. and Mrs. occupied do you still doubt this?

Tyler Woodley:

As we know that book is important thing to add our information for everything. By a reserve we can know everything we would like. A book is a pair of written, printed, illustrated or blank sheet. Every year had been exactly added. This book Sexualities in Context: A Social Perspective was filled regarding science. Spend your free time to add your knowledge about your research competence. Some people has various feel when they reading some sort of book. If you know how big good thing about a book, you can experience enjoy to read a e-book. In the modern era like now, many ways to get book you wanted.

Joseph Fulkerson:

Do you like reading a reserve? Confuse to looking for your best book? Or your book has been rare? Why so many issue for the book? But almost any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but in addition novel and Sexualities in Context: A Social Perspective or maybe others sources were given information for you. After you know how the fantastic a book, you feel would like to read more and more. Science book was created for teacher or students especially. Those ebooks are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes Sexualities in Context: A Social Perspective to make your spare time considerably more colorful. Many types of book like this.
