Shorter Plays, Volume 4: The Theatrical Notebooks of Samuel Beckett By Samuel Beckett

Shorter Plays follows *Waiting for Godot*, *Endgame*, and *Krapp's Last Tape* in this highly praised series of Beckett's notebooks, which show for the first time the extensive revisions made by Beckett during revivals of his plays and presents the complete and definitive texts for *Play*, *Footfalls*, *Come and Go*, *What Where*, *That Time*, *Eh Joe*, and *Not I*. From the mid-1960s, Samuel Beckett himself directed all his major plays in Berlin, Paris, and London. For most of these productions he meticulously prepared notebooks for his personal use. Beckett's theatrical notebooks, which are reproduced in facsimile here, offer a remarkable record of his involvement with the staging of his texts. They present his solutions to the practical problems of staging and also provide a unique insight into the way he envisaged his own plays. With additional information taken from Beckett's annotated and corrected copies of the plays, and using his experience as a director and scholar, S. E. Gontarski has been able to constitute a revised text for each of the plays, incorporating Beckett's many changes, corrections, additions, and cuts.

Editorial Review

Review

"*The Theatrical Notebooks* . . . are invaluable maps of Beckett country." -- *Mel Gussow, The New York Times*

"A gold mine for Beckett fans who wish to dig for anecdotes, incidents, illusions, and analogies that appear throughout almost everything else he wrote. . . . Grove is to be commended for the care lavished on the design of these volumes, for they are physically as handsome as their content is comprehensive." -- *Deirdre Blair, Newsday*

Users Review

From reader reviews:

Brandy Hagaman:

Now a day people who Living in the era everywhere everything reachable by connect to the internet and the resources included can be true or not require people to be aware of each details they get.
