Suspension Prevention: Get Reinstated and Protect Your Amazon Seller Account By Ms Cynthia G Stine

“Suspension” is the most chilling word in the Amazon lexicon for third-party sellers - representing lost income and the possibility of being banned from the platform. Amazon won’t take your calls, answer your questions or explain once you are suspended. You are given examples of your “violations” that are only half the story and Amazon expects you to figure out the rest yourself. *Suspension Prevention: Get Reinstated and Protect Your Amazon Seller Account* empowers sellers by explaining how it works, how to keep from being suspended and how to get reinstated if needed.

Based on reinstating more than 100 Amazon sellers, Cynthia Stine's book explains how sellers get suspended and how they get back to selling again. With real-life stories she sheds light on the black box that is Amazon's Seller Performance team and shares the good news that there is a lot a seller can do to prevent being suspended in the first place. Whether you currently want to beat Amazon suspension or just want to make sure you aren't suspended in the future, this book will help you.

“If you are an Amazon seller of any size, or you if you know someone who is, get them Suspension Prevention. Cynthia and her professional team are on the cutting edge of termination prevention and reinstatement strategy on Amazon. They are who we turn to when advising our global community of Amazon selling students. This book is your 'suspension prevention strategy.'” – **Jim Cockrum, Proven Amazon Course, JimCockrum.com**

“You want this book in your Amazon arsenal. It distills thousands of hours of reinstatement consulting experience down to exactly what a third-party seller needs to keep from being suspended.” – **Chris Green, CEO ScanPower, Author Online Arbitrage and Retail Arbitrage.**

“Suspension Prevention: Get Reinstated and Protect Your Amazon Seller Account is an absolutely ‘must read’ for any Amazon seller.” -**Skip McGrath, eBay Power Seller, Amazon Top 10% Seller, Author and Trainer**

“Cynthia’s tips and suggestions for Amazon third-party sellers in Suspension Prevention are amazing.” – **Jeff Cohen, Director of Business Development Seller Labs, Feedback Genius**

Editorial Review

About the Author

In addition to selling on Amazon.com since 2010, Cynthia has also written the top-selling book *Make Thousands on Amazon in 10 Hours a Week!: How I turned \$200 into \$40,000 Gross Sales My First Year in Part-time Online Sales*. Her first book helped thousands of third-party sellers get started on Amazon with tight resources using the FBA program and retail arbitrage. She writes a popular blog at <http://onlinesalesstepbystep.com> and consults with Amazon sellers on their business issues. In 2014, her clients started turning to her to help them get reinstated from being suspended or banned.

Based on her success and experience getting people back to selling, she launched her official Reinstatement services in February 2015. She was flooded with business. The need is great, and the stakes are incredibly high. Many sellers fail when they write the appeal themselves, which can lead to them being permanently banned from selling. Cynthia has developed a system for analyzing sellers' mistakes, appealing to Amazon and – in most cases – getting her clients' businesses back up and running.

Prior to becoming an Amazon seller, Cynthia had 25+ years business consulting and crisis management experience, which gives her a different perspective towards reinstatement. Her goal is to not only get her clients selling again, but to help them figure out how they got in trouble in the first place. She teaches them how to set up systems and put processes in place to make sure it never happens again. When necessary, she helps sellers make changes to how they do business so they can get out of trouble and stay out of trouble with Amazon.
