**Trust Me, I'm Lying** By Mary Elizabeth Summer

**Fans of Ally Carter's Heist Society novels will love this teen mystery/thriller with sarcastic wit, a hint of romance, and *Ocean's Eleven*–inspired action.**

Julep Dupree tells lies. A lot of them. She's a con artist, a master of disguise, and a sophomore at Chicago's swanky St. Agatha High, where her father, an old-school grifter with a weakness for the ponies, sends her to so she can learn to mingle with the upper crust. For extra spending money Julep doesn't rely on her dad—she runs petty scams for her classmates while dodging the dean of students and maintaining an A+ (okay, A-) average.

But when she comes home one day to a ransacked apartment and her father gone, Julep's carefully laid plans for an expenses-paid golden ticket to Yale start to unravel. Even with help from St. Agatha's resident Prince Charming, Tyler Richland, and her loyal hacker sidekick, Sam, Julep struggles to trace her dad's trail of clues through a maze of creepy stalkers, hit attempts, family secrets, and worse, the threat of foster care. With everything she has at stake, Julep's in way over her head . . . but that's not going to stop her from using every trick in the book to find her dad before his mark finds her. Because that would be criminal.

## **Editorial Review**

From School Library Journal

Gr 8 Up—Julep Dupree is a liar. Trained by her father in the family grifting business, she is adept at trading lies for money to pay the bills. Good thing, too, because the tuition for St. Agatha's High School is high. Julep isn't alarmed when she returns home one evening to find that her father missing, but the tousled state of the apartment leaves her with a hollow feeling and sets her on a chase to find him and the "mark" that perpetrated the ransacking. Best friend Sam is worried for her, but the teen pushes off his concern, even as she begins to get unusual and convenient attention from the class heartthrob, Tyler Richland. Together, the three high school students work to discover answers to all of Julep's questions, a mission that will prove deadly for one of them. Summer has penned a debut novel chronicling the life of a teenage grifter that is outrageous and believable. In *Julep*, the author explores a young female character who must call into question the actions of all those with whom she has contact, drawing upon inner strength to fortify her, even in the face of mortal danger. Summer's characters are well developed and leave readers looking forward to the next installment in this series.—Colleen S. Banick, Westport Public Schools, CT
