Birds of a Feather By Vanita Oelschlager

Children are innately curious about words, especially phrases that make them laugh (""Ants in your pants!""), sound silly (""Barking up the wrong tree"" or ""Goosebumps""") or trigger images that tickle a child's sense of the absurd (""Like a bull in a china shop""). Birds of a Feather introduces children to the magic of idioms words that separately have one meaning, but together take on something entirely different. Birds of a Feather introduces idioms with outlandish illustrations of what the words describe literally. The reader then has to guess the ""real"" meaning of the phrases (which is upside down in the corner of each spread). At the end of the book, the reader is invited to learn more about these figures of speech.

Editorial Review

Review

This delightful children's picture book blends the real meanings of common American idioms such as: "Don't let the cat out of the bag;" "It's raining cats and dogs;" and so on. Each idiom is stated and explained, then, an example of how it might be used is provided. The fun illustrations show scenes of what a child might imagine when hearing an idiom for the first time and taking it literally.

The combination of our language's funny sayings and the even funnier visual jokes the illustrator has generated will make for delightfully giggly read-a-louds. Children will get a real hoo-ha out of this book. We rated it five hearts. --Heartland Reviews, February 2, 2009

From the Inside Flap

Children learn how to have fun with language, plus how words

can evolve from one meaning to something entirely different.

This book is a good tool for group discussions, as well as for

individual creative time. Children and parents who like other

VanitaBooks will want this one also.

About the Author

Vanita Oelschlager is a wife, mother, grandmother, philanthropist, former teacher, current caregiver, author and poet. A graduate of Mount Union College in Alliance, Ohio, she now serves as a Trustee of her alma mater and as Writer in Residence for the Literacy Program at The University of Akron. Vanita and her husband Jim were honored with a Lifetime Achievement Award from the National Multiple Sclerosis Society in 2006. She was the Congressional Angels in Adoption award recipient for the State of Ohio in 2007 and was named National Volunteer of the Year by the MS Society in 2008. Vanita was also honored in 2009 as the Woman Philanthropist of the Year by the Summit County Chapter of the United Way.

Users Review

From reader reviews:

Michael Auten:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important normally. The book Birds of a Feather seemed to be making you to know about other information and of course you can take more information. It is quite advantages for you. The book Birds of a Feather is not only giving you considerably more new information but also to become your friend when you feel bored. You can spend your spend time to read your reserve. Try to make relationship with all the book Birds of a Feather. You never experience lose out for everything if you read some books.

Larry Carvajal:

Do you certainly one of people who can't read satisfying if the sentence chained from the straightway, hold on guys this specific aren't like that. This Birds of a Feather book is readable through you who hate those straight word style. You will find the facts here are arrange for enjoyable studying experience without leaving actually decrease the knowledge that want to deliver to you. The writer associated with Birds of a Feather content conveys the thought easily to understand by many people. The printed and e-book are not different in the content material but it just different as it. So , do you continue to thinking Birds of a Feather is not loveable to be your top collection reading book?

Mitchell Smith:

People live in this new morning of lifestyle always attempt to and must have the time or they will get lot of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not only a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative with spending your spare time, the actual book you have read will be Birds of a Feather.

Gary Wilson:

In this particular era which is the greater man or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time almost no but quite enough to get a look at some books. One of the books in the top list in your reading list is actually Birds of a Feather. This book that is certainly qualified as The Hungry Hillsides can get you closer in becoming precious person. By looking way up and review this publication you can get many advantages.
