Goodheart's Photoguide to Common Pediatric and Adult Skin Disorders By Herbert Goodheart, Dr. Mercedes Gonzalez MD FAAD

Dr. Goodheart's award-winning and **highly regarded guide to skin disorders** has been fully updated in its 4th Edition, and now includes a separate section on common pediatric complaints. More than 900 high-quality illustrations provide a comprehensive visual guide to the vast majority of skin conditions you're likely to see. Clear descriptions of specific distinguishing features help you reach an accurate diagnosis, and similar or "look-alike" conditions are presented for easy comparison. All **healthcare workers who encounter disorders of the skin will find this practical resource invaluable** for dermatologic diagnosis and management.

- **New co-author Dr. Mercedes E. Gonzalez** shares her expertise in an **all-new pediatric section**, covering birthmarks, acne, eczema, superficial bacterial and viral infections, hair and nail disorders, cutaneous manifestations of systemic disease, neurocutaneous syndromes, and much more.
- **Additional new chapters** cover darker skin tones, dermoscopy, hyperhidrosis, and teledermatology.
- **Hundreds of new, full-color photos** and more information on ethnically and racially diverse populations, as well as aging populations brings this must-have resource fully up to date.
- **Thoroughly updated content** includes the latest information on over-the-counter and prescription medications, as well as recent "biologics" that have great potential in the targeted treatment of many immunologic and neoplastic disorders.
- **Step-by-step descriptions** of basic dermatologic procedures and a **formatted approach** to each disease help you find what you need quickly and use it immediately in your practice.
- **Online resources** include additional images of conditions as well as customizable Spanish/English patient handouts.

Now with the print edition, enjoy the bundled interactive eBook edition, which can be downloaded to your tablet and smartphone or accessed online and includes features like:

- **Complete content with enhanced navigation**
